**WATERWAYS OF TRADE, CULTURE AND BEAUTY**

Imagine thousands of years of European history gently delivered to your doorstep as you glide along the Rhine, Main and Danube rivers. Almost every waking moment reveals an epic three-river route.

From your modern, elegant ship, you'll indulge in a rich adventure steeped in traditions of different regions, take a closer look at historical and cultural places and events, or tour the peaceful plains and gentle valleys. In the amazing Rhine Gorge, towering escarpments are crowned by fabled castles steeped in myth and mystery. The lush vineyards, tangled woods and ancient ruins set atop rocky spurs are a photographer's dream. Stemming from the Rhine, the Main River (pronounced “mine”) flows northward, flanked on both sides by medieval townscapes and festivals. Along a succession of locks in the picturesque Altmühl Valley and Germany’s largest nature preserve, you'll see the land transform from cool, green forests and rolling meadows to a rough, windswept coast.
