Currently, he is pursuing these interests through field studies on the Great Lakes, the experimental lakes at the Univ. of Notre Dame Environmental Research Center, a project on Apex Predators in Pelagic Systems of the central Pacific, and a new project (2000-06) centered on the lakes proximate to Trout Lake Station.

JULY 12: SCENIC SAILING OF LAKE HURON

JULY 13: LITTLE CURRENT, MANITOULIN ISLAND (GEORGIAN BAY)
Delight in a scenic early morning cruise of Georgian Bay, whose verdant islands, rugged cliffs, and diamond-blue waters have inspired some of Canada’s most celebrated painters. Arrive at the small town of Little Current and set out on a tour of Manitoulin Island, the world’s largest freshwater island and home of the Ojibwe people. Stop at the uniquely designed Immaculate Conception Church, attend a traditional smudging ceremony, and enjoy an interpretive tour of the local museum and art gallery. Back in Little Current, return to the ship or explore the community’s quaint downtown shops, docks, or waterfront parks at your leisure.

Today, transit the Soo Locks from Lake Huron into Lake Superior at Sault Ste. Marie, Michigan. Explore the oldest city in the Midwest on a guided excursion that features the New Fort Brady and the Valley Camp Museum Ship. Built by the American Shipbuilding Company in 1917, this former ship is now home to the world’s largest Great Lakes maritime museum. See the cargo’s rich collection of photography, shipwreck artifacts, and fascinating nautical exhibits. Then visit the mighty Soo Locks—one of the world’s largest and busiest locks—enabling ships to travel between Lake Superior and the lower Great Lakes.

Embark on your excursion aboard a horse-drawn carriage and gain insight into the island’s compelling history at Michigan’s oldest building, Fort Mackinac. Behold the imposing stone walls and cannons of this impressive fort, built atop a soaring cliff by British soldiers in 1780.
