Cal Alumni Finds

AHI FLEXA Sept. 6–14, 2016

Our personalized air program allows you to select your flights, routing, class of service and dates of travel in consultation with one of our experienced Passenger Service Representatives. Airlines will vary, depending on airline, routing and class of service. In most cases, travelers between the airport and the hotel may opt to fly to or from cities with direct flights. Airlines, as well as flight times, are subject to change at any time. If you choose to make your own reservations, you will be charged the higher, all year Economy class fare. VARIATIONS TO THE GROUP ITINERARY MUST BE REQUESTED NO LATER THAN 60 DAYS PRIOR TO DEPARTURE. Participants are responsible for any airline fees or penalties incurred as a result of program cancellation and/or trip changes.

**NOTE**: Participants will receive their final trip document approximately 7–10 weeks prior to departure.

**MOBILITY AND FITNESS TO TRAVEL**

Your safety and security is our primary concern. Participants, whether or not they are Cal students, must be physically fit to travel. If you are pregnant, consult your physician. Participants who choose to make their own airline reservations independently will be wholly responsible for any delays, missed carrier connections, missed flights, or missed baggage.
