Experience Tanzania during the Great Migration

Search for the thundering herds of wildebeest, the silent stalk of the cheetah, and the cacophonous cackle of the African Hoopoe.

Savor the suspense as you scan the terrain, follow the signals of your guide and remember not to hold your breath. Here, it is possible to encounter lion, cheetah, leopard, elephant, wildebeest, zebra, primates, antelope, gazelle, crocodile, and more than a thousand species of birds. Be a part of an unforgettable adventure that brings you face-to-face with the circle of life, drama of survival, and spirit of adventure.

“You know you are truly alive when you’re living among lions.”
—Karen Blixen, Out of Africa
