Dear Alumni and Friends of Cal,

Please join us for a summertime expedition through some of nature’s more secluded landscapes as we discover the remote inner reaches of Alaska’s Inside Passage aboard the 76-guest Chichagof Dream.

Enjoy the agility and flexibility of small-ship travel, up-close encounters with wildlife, stunning scenery, cultural experiences and the guidance of two expert naturalists including an Orbridge Expedition Leader.

Capture the sight of whales breaching next to your boat, bears fishing along the shoreline and eagles looking down from their nests—all part of nature’s amazing show.

This program also offers an optional pre-tour to Denali National Park. Explore this vast and stunningly beautiful wilderness—home to Denali, the highest mountain in North America. Ride the Alaska Railroad, stay at a hilltop lodge with panoramic views just north of the park entrance and learn how this magnificent landscape became one of our nation’s most breathtaking conservation areas.

Go Bears!
