Travel to the charming Andean village of Chinchero to explore a colorful market and visit a textile center for a weaving demonstration by a master Andean weaver.

**EXPEDITION HIGHLIGHT**

Travel aboard an exclusively chartered, historic train to Machu Picchu, one of the world’s most astonishing archeological treasures.

**Cusco and Machu Picchu or North Coast**

**PERU**

Discover the mountaintop citadel of Machu Picchu, the wonders of the Sacred Valley of the Incas and the colonial heritage of the storied city of Cusco.
Investigate the mystery of the *moai* at Rapa Nui National Park and the Ahu Tahai ceremonial complex on this remote Pacific Island. Feel the awesome isolation of the island’s rolling green hills, where wild horses roam.

**Easter Island**  
**CHILE**

Journey to the heart of Easter Island where a long-lost civilization comes to life before your eyes. Near the town of Hanga Roa we encounter Ahu Tahai, the site of three restored *moai*, the rock statues for which the island is famous. Marvel at the World Heritage site of Ahu Tongariki, home to 15 large *moai*, and explore the Rano Raraku quarry where almost 400 giant statues remain in various stages of completion, giving us fascinating insights into how these mysterious icons may have been created.

Visit Ahu Akivi, considered to be a particularly sacred site and home to seven *moai*, all of which are positioned to face sunset during the spring equinox and have their backs to the sunrise during autumn equinox.

Discover the Orongo ceremonial village, where the famous “birdman” competition was held. Winning this dangerous race was the fastest route to prestige and power in Rapa Nui society. If you like, opt to hike over grassy hills and volcanic rock outcroppings, taking in views of the island, the ocean, wild horses and the majestic *moai*.

**ACCOMMODATIONS**  
**Hangaroa Eco Village & Spa** was designed in homage to the village of Orongo, a ceremonial Rapa Nui location. Inspired by the architectural shapes of caves, the rooms are smooth, cozy and organic, built with natural materials like cypress logs, clay and volcanic rock.

Experience the tropical allure of the South Pacific and learn about timeless island traditions while getting a little taste of Polynesian culture.

**SAMOA**

**EXPEDITION HIGHLIGHT**

Visit with local women at a Samoan Women’s Committee to get a personal glimpse into village culture.

On our flight, we will cross the international date line and lose a day en route to Samoa. This idyllic South Pacific island is a quick stopover on our way to Australia, as well as a chance to sample a bit of Polynesian culture.

Even today, the majority of Samoa’s population follows a traditional village lifestyle. Opt to visit a Samoan Women’s Committee, an integral part of Samoan society where women gather to help manage everyday village affairs. The women demonstrate how they weave mats and craft garlands, and treat us to a performance of Samoan dance and song.

Or visit Vailima, the last home of *Treasure Island* author Robert Louis Stevenson, which is now a museum housing mementos from his final days in Samoa. Enjoy a private kava ceremony—an important tradition named after the Polynesian signature beverage. Celebrate your time on the island with a festive *fia-fia* feast and show. Held poolside, this spectacle of indigenous performance includes a dazzling fire dance.

**ACCOMMODATIONS**

The Sheraton Samoa Beach Resort is a relaxing beachfront property that features a pool and fitness area. Rooms are comfortable and appointed with modern amenities.
Immerse yourself in the marine life of the World Heritage Great Barrier Reef, the world’s largest coral reef system, which stretches for over 1,600 miles.

The northeast coast of Australia is home to some of the world’s most unique natural wonders. Cruise out to the Great Barrier Reef where we explore open-water sites on the reef’s northern reaches. Here you can enjoy the day snorkeling or diving among a vibrant collection of coral and tropical fish. Afterward, choose to do some shopping in the charming town of Port Douglas or return directly to the hotel.

After a day of discovery on the reef, embark on a journey into the Daintree Rainforest, a natural wonder that is considered the world’s oldest living rain forest. Participate in a Dreamtime Walk through the Mossman Gorge with an Aboriginal guide of the Kuku Yalanji people. The gorge is a rain forest sanctuary of rare and exotic fruit trees and wildlife facing extinction. After the walk, discuss rain forest flora and fauna with your guide and learn more about traditional Aboriginal culture.

Angkor Wat is the world’s largest religious structure built from stone. If you opt for an early morning visit to beat the mid-morning heat, tour the complex and meet with Buddhist monks for a blessing. Alternatively, explore this magnificent temple complex after breakfast and discover why it is also known as “the city of temples.” Visit Ta Prohm, a prominent temple left in a state similar to the way it appeared when it was discovered. Move on to Bayon, a richly adorned temple that served as the center of Jayavarman VII’s capital. Finally, imagine the presence of a grand army as you take in the impressive Terrace of the Elephants.

Take a tour by boat of Tonle Sap, Southeast Asia’s largest freshwater lake, passing Chong Khneas Floating Village, which features floating shops, churches and schools. Explore the land of the maharajas and marvel at the Taj Mahal, a monumental testament to enduring love that took more than 20,000 people to build.

Jaipur and the Taj Mahal

INDIA

Explore the land of the maharajas and marvel at the Taj Mahal, a monumental testament to enduring love that took more than 20,000 people to build.

Nicknamed the “Pink City” for the striking rose color of its buildings, Jaipur served as the royal capital for the Rajput kings, who ruled northwest India. Amid the city’s opulent palaces and massive fortresses, discover the well-preserved artistic and cultural traditions unique to this region. Embark on a shopping excursion to Jaipur’s lively bazaars and immerse yourself in a rich heritage of handicrafts, from iconic blue pottery to stunning meenakari jewelry. In a hands-on cooking class, learn the secrets of the complex flavors of Indian cuisine.

While in Jaipur, take a day trip on our private jet to Agra to visit one of history’s great masterpieces, the Taj Mahal. Mughal Emperor Shah Jahan commissioned this astoundingly beautiful monument in the 17th century as a tribute to the memory of his beloved second wife. Afterward, explore Agra Fort, an imposing military fort built by the first Mughal emperor of India. Palaces, mosques and audience halls stand within its red walls, many offering spectacular views of the Taj Mahal.

Accommodations
Built in 1835, Rambagh Palace was home to Jaipur’s royal family until 1957. The property features over 47 acres of expansive gardens, as well as a holistic spa and fine-dining options at unique bars and restaurants.

Expedition Highlight
Fly to Agra on our private jet to gaze upon the marble majesty of the Taj Mahal, perhaps the world’s most famous building.
Embark on morning and afternoon game drives across the seemingly unending landscape, which serves as the backdrop to one of the most ancient migration rituals on Earth.

Serengeti Plain or Ngorongoro Crater
TANZANIA

Serengeti National Park, a World Heritage site, protects a wide variety of animals, large and small, including more than 30 species of large herbivores and nearly 500 species of birds. The acacia woodland and year-round water supply in this area create an ideal environment for the wide variety of wildlife that can be seen here—countless zebra, buffalo, lions, cheetahs, gazelle, wildebeest and other species make it their home. Immerse yourself in this timeless landscape on half-day or all-day game drives with your naturalist guides.

ALTERNATE

ALTERNATE
Located on the crater’s edge, andBeyond Ngorongoro Crater Lodge offers uncompromising views and is the perfect base for game-drive explorations. Guest rooms feature antiques, leather-backed chairs and decks with magnificent views.

EXPEDITION HIGHLIGHT
Enjoy an unforgettable dinner and dance performance in the bush under a canopy of stars.
Visit the Lost City of Petra and its rock-cut architecture, which combines traditional Nabataean stone buildings with Hellenistic facades featuring columns and intricate sculptures.

Nearly two-thirds of Jordan is covered by great expanses of arid desert. Gold-tinged red sandstone cliffs arch up into the sky, while plateaus eroded by winds stretch toward the horizon. In the middle of this stark beauty lies Petra. Built in the first century as capital of the Nabataean Arabs, Petra is one of the most famous archaeological sites in the world. Walk through the Siq, a narrow chasm in the bedrock, and emerge before the elaborate Treasury. Take a stroll through the site, stopping to view the wares sold by local vendors. Depart early, allowing time to hike up to the harder-to-reach sites, or depart mid-morning for a more leisurely visit.

Opt to discover the spectacular rock formations of Wadi Rum, an evocative lunar-like landscape made famous by T.E. Lawrence and the film Lawrence of Arabia. The history of Wadi Rum starts long before Lawrence of Arabia—petroglyphs dating from the earliest settlers can be seen on its rock walls. You’ll travel across Wadi Rum by jeep, taking in the unspoiled desert wilderness and stopping for tea in a Bedouin tent.

ACCOMMODATIONS: With its close proximity to the sights, the Mövenpick Resort Petra smoothly blends Middle Eastern craftsmanship with modern conveniences. Take in views of the Great Rift Valley while relaxing in this traditional, comfortable base for your explorations.

EXPEDITION HIGHLIGHT

Ride on camelback through Petra’s landscape of stone-cut temples and sandstone formations.
Experience a feast of the senses in the imperial city of Marrakech as you wander through the vibrant medina, watch street performers in Jemaa el-Fna or explore the Atlas Mountains.

**Marrakech**

**MOROCCO**

Lying at the foot of the Atlas Mountains, Marrakech has some of the most impressive examples of Islamic architecture in existence. Jemaa el-Fna square is the heart of one of the most vibrant and historic medinas in the world. This ancient walled quarter is filled with narrow, maze-like streets crowded with merchants, fire-eaters, snake charmers, musicians and entertainers. Our visit includes stops at the Koutoubia Mosque, Bahia Palace and the Ben Yousef Madrasa. We also have time to explore the section of the city’s souk where leather workers, metal craftsmen and others practice their crafts.

Visit the Yves Saint Laurent Museum as well as the Majorelle Gardens. The gardens were established in the 1920s with marble pools, raised pathways, banana trees, groves of bamboo, coconut palms and bougainvillea. After years of neglect, the garden was taken over and restored by fashion designer Yves Saint Laurent and his partner Pierre Bergé. Or opt to spend a day in the spectacular scenery of the Atlas Mountains, where we have the opportunity to visit a Berber village and share tea with the village chief.

**ACCOMMODATIONS**

Opened in 1923, La Mamounia has long been a favorite among travelers to Marrakech. This glamorous retreat continues to define luxury for its guests, with guest rooms that create a warm atmosphere with pleasant views of the city.
