Milwaukee, Wisconsin, U.S.
On the shores of Lake Michigan, the only Great Lake located entirely in the U.S., lies Wisconsin’s largest city, Milwaukee, best known for its famous breweries. Milwaukee also has a rich cultural history, as it was the meeting place for Menominee, Ojibwe and Potawatomi people long before the arrival of European settlers in the early 19th century.

Mackinac Island, Michigan
Located in Lake Huron between Michigan’s Upper and Lower Peninsulas, Mackinac Island was a lucrative port in the North American fur trade. With its white-sand beaches, forested parklands and charming streets lined with genteel Victorian homes, art galleries and quaint fudge shops, few places capture a bygone era more graciously than automobile-free Mackinac Island. a treasured institution for over 130 years with a gleaming white Colonial facade, over 2000 trademark red geraniums and a procession of American flags. Enjoy lunch overlooking the world’s longest porch, as romantic today as it was during the 1800s when it was dubbed “Flirtation Walk.” Stop at dramatic limestone Arch Rock, a portal to the spirit world according to Native American legend, and tour Fort Mackinac, built by the British in 1779 and garrisoned until 1875.

Lake Superior Cruise into Lake Superior—the deepest of the Great Lakes—to Whitefish Point, the eastern end of the 50-mile Skeleton Coast named for the nautical remains of over 300 shipwrecks, including the famed Edmund Fitzgerald. Enjoy breathtaking views of the Lake Superior shoreline.

Sault Sainte Marie, Michigan Known to Native Americans as the “Gathering Place” and referred to by locals as “The Soo,” the historic town of Sault Sainte Marie became one of the Great Lakes’s most important economic axes following construction of the Soo Locks, one of the greatest engineering accomplishments of the 19th century. Maritime history is evocatively presented at SS Valley Camp, a retired lake freighter built in 1917, featuring the faithfully restored living quarters of Great Lakes sailors and the tragic loss of the Edmund Fitzgerald. Transit the impressive locks, tour the Soo Locks Interpretation Center and watch as colossal freighters lower 21-feet from Lake Superior to enter Lake Huron.

Tobermory, Ontario, Canada Cruise the coastline of Bruce Peninsula National Park, a biodiversity hot spot and part of the Niagara Escarpment UNESCO Biosphere Reserve. In the traditional harbor village of Tobermory, embark on a glass-bottom boat cruise from Little Tub Harbor to Big Tub Harbor, which preserves almost two dozen 19th-century shipwrecks. See the remains of the schooner Sweepstakes, submerged in only 20 feet of water with its hull almost completely intact. Observe photogenic Big Tub Lighthouse which has been guiding ships since 1885, and the charm of Flowerpot Island, famous for its natural “flowerpot” rock pillars, sea stacks and wave-carved caverns.

Detroit, Michigan, U.S. Chart Detroit’s rise to the apex of American idealism. Visit the Detroit Institute of Arts, one of the nation’s most significant collections of art, housed in a magnificent Beaux Arts building.

Cruise the azure waters of Fathom Five National Marine Park and discover the ethereal beauty of Flowerpot Island, where ancient cedars rise above surreal rock formations.
See Diego Rivera’s monumental Detroit Industry mural which captures the city’s blue collar history, as well as masterworks by Rodin, Caravaggio, Van Gogh, Degas and Cézanne. Discover the rich architectural legacy of the Gilded Age at Grosse Point where grandiose mansions replete with lavish period furnishings reflect Detroit’s commitment to architectural preservation. Tour the Edsel and Eleanor Ford Mansion, a polished window on the grandeur and rich aesthetic lives of America’s industrial aristocracy. The manor was designed by Detroit’s preeminent architect, Albert Kahn, to resemble Cotswold village cottages and showcases an Art Deco design with rooms filled with ancient, Renaissance and 18th-century art, including presciently acquired works by Van Gogh, Cézanne and Rivera.

Visit the acclaimed Henry Ford Museum of American Innovation, which spotlights the creative genius of American inventors and innovators from baseball to vintage cars and airplanes to civil rights heroes and artifacts that represent defining moments in American history, or tour historic Greenfield Village, “America’s Hometown Celebration,” which preserves 80 famous historic structures, relocated from across the nation, as well as a lavish collection of vintage automobiles. See Henry Ford’s birthplace, two of Thomas Edison’s workshops, the Wright brothers’ bicycle shop and Luther Burbank’s garden office.

**Port Colborne, Ontario, Canada for Niagara Falls**

One of the world’s most awe-inspiring natural phenomena, Niagara Falls never fails to impress. Cruise toward the mist-enshrouded base of Horseshoe Falls and experience firsthand the sheer force of this geological wonder.

See the 410-million-year-old rock layers of the Niagara Gorge and the formidable Whirlpool Rapids, among the world’s most extreme Class VI rapids. Enjoy a specially arranged lunch with spectacular falls views. See the Sir Adam Beck Power Station, the world’s first large-scale hydroelectric generation project, and admire Niagara’s famous Floral Clock, intricately filled with 20,000 plants and flowers. The historically important Niagara area was the site of the Battle of Chippewa, a major milestone in the development of the U.S. Army during the War of 1812.

**Welland Canal**

Cruise through seven locks of the Welland Canal, one of North America’s most important economic lifelines. Constructed in the early 19th century, the canal links Lake Ontario to Lake Erie and was instrumental in opening the Great Lakes to commerce and prosperity—the canal carries nearly 40 million tons of cargo per year.

**Toronto, Ontario**

Dynamic Toronto is Canada’s largest and most welcoming city and offers outstanding museums, galleries and restaurants which speak to its remarkable diversity.
