

Dear Alumni and Friends of Cal,

Join us on a lifetime experience to the fascinating island of Madagascar. From the moment you arrive, you will sense the difference in this magical land of unique species, fascinating history, and enduring culture. Madagascar is a dream destination for botanists and nature enthusiasts alike.

We are in for a fascinating adventure: nowhere else on earth will you find as much biodiversity in such a small area, with 70% of its 200,000 species endemic to the island.

Please join us on this expedition to the “Red Island.” As our group is strictly limited – only 12 participants – please make your reservation as soon as possible to guarantee your spot!

Go Bears!
