A high Arctic Archipelago situated beyond Norway’s fjord-fretted coast, a mere 600 miles from the North Pole, Svalbard is a place of deep fjords, snowcapped mountains, and massive sheets of ice—glowing under the midnight sun during our season there. It’s a magnificent polar bear habitat that provides opportunities for thrilling up-close observations of polar bears and other Arctic wildlife. It’s Arctic nature in its purest form.

**JUNE 2, 2019: U.S./FLY OVERNIGHT TO OSLO**
Fly to Oslo on an overnight flight.

**JUNE 3: OSLO, NORWAY/SAS RADISSON BLU HOTEL**
Arrive in Oslo, the capital city where each year the Nobel Peace Prize is awarded in the presence of the King of Norway. Check in to the SAS Radisson Blu Hotel. In the afternoon, our introduction to Oslo begins with a stroll among the famed Vigeland sculptures—hundreds of life-size human figures set in terraced Frogner Park. Next, we visit the Fram Museum, dedicated to Norwegian explorers Nansen and Amundsen. The evening is free. (L,D)

**JUNE 4: OSLO/LONGYEARBYEN/EMBARK SHIP**
Depart Oslo on a charter flight, and enjoy breathtaking vistas en route to Longyearbyen. On arrival, meet up with a local guide and take a short bus ride to Camp Barentz in the nearby Advent Valley for a taste of Arctic culture. Here, you’ll discover a unique
collection of buildings including an authentic gamme, a traditional round building with an open fire in the center, and a lavvo, the traditional tent of the Sami people. Enjoy refreshments and an expert presentation on the polar bear before meeting some of the friendly, sled dog huskies that reside at camp. Embark National Geographic Explorer, your base for the next six days. (B,L,D)

JUNE 5-10: EXPLORING SVALBARD

Our travel in the archipelago is truly exploratory by design, and our exact day-to-day movements will remain flexible, depending on local conditions. Our main focus is the search for Svalbard’s amazing wildlife: polar bear, reindeer and walrus. Observe seals and arctic foxes and search for the very symbol of the Arctic—majestic polar bears. Cruising in Svalbard’s fjords, venture to the foot of stunning tidewater glaciers. We take our Zodiacs and kayaks to cruise among beautiful icebergs, and experience the geology, wildlife and wildflowers that give color and vitality to the High Arctic. (B,L,D)

JUNE 11: LONGYEARBYEN/DISEMBARK/OSLO

Disembark in Longyearbyen and visit the Museum and Art Gallery. Fly back to Oslo and overnight at the SAS Radisson Blu Airport Hotel. (B,L)

JUNE 12, 2019: OSLO/U.S.

After breakfast, proceed to the airport for the flight to the U.S. aboard SAS Scandinavian Airlines, or continue on to other adventures. (B)
