ON THE ROAD TO FREEDOM
UNDERSTANDING THE CIVIL RIGHTS MOVEMENT

ACCOMPANIED BY
PROFESSOR CHARLES HENRY
OCTOBER 4-11, 2020

Join us on a carefully designed program which focuses on understanding the Civil Rights Movement, perhaps the most significant movement to shape American history. Our program traces the history of this struggle, which began in 1955 when Rosa Parks, an African-American woman, was arrested for refusing to give up her seat at the front of a bus in Montgomery, Alabama. It was a movement that grew over time, through massive grassroots organization, a commitment to achieve racial equality through non-violence, legislative victories, brilliant leadership and collaboration, and the sheer courage and determination of hundreds of thousands of participants. Travel to the sites of the movement - from Selma to the Little Rock High School - and meet with many of the figures who were involved. Framed within the civil rights story are the histories of the music and cuisine of the South. From blues to jazz to fried chicken and biscuits, some of the most powerful and inspired creations of both southern sound and southern cuisine were born out of hardship and poverty, and today continue to evolve in exciting ways, as new populations, ingredients, and instruments influence regional culture.

Cal lecturer’s participation cannot be guaranteed and is contingent on a minimum number of paying travelers.
