Sincerely,

[Your Name]
Dear Alumni and Friends of Cal,

As you know, Cal Travel offers summer travel programs that allow you to connect California students with the United States and the world. This summer, Cal Discoveries Travel is offering a program that explores the Danube River. The Danube is the world’s second longest river, and it winds through eight countries, including Austria, Germany, and Hungary. You’ll have the opportunity to see stunning landscapes and historic cities, and to experience the rich culture and history of the region.

The Danube program includes three nights in Prague, Czech Republic, where you’ll visit the Palace and Gardens of Schönbrunn, a UNESCO World Heritage Site. Then you’ll travel to Austria and visit Strauss’s favorite café, the Lassnitzhof. You’ll also have the opportunity to visit the Schönbrunn Zoo, home to the world’s largest collection of elephants. In addition, you’ll visit the Palace of Schönbrunn and the Belvedere Palace in Vienna, and take a river cruise through the Wachau Valley.

The program also includes visits to many other historic cities, such as Budapest and Bratislava. You’ll have the chance to explore the River Palace, the Austrian Parliament Building, and the Hungarian Parliament Building. You’ll also have the opportunity to take a cruise on the Danube, and to visit the historic city of Vienna.

To learn more about this program and to register, please visit the Cal Alumni Travel website. The trip will take place from June 20 to July 1, 2023, and the cost is $5,995 per person, based on double occupancy. If you have any questions, please contact the Cal Alumni Travel office at 800.521.1525.

Sincerely,

Yugoslavia); both have involved extensive travel and fieldwork in the Balkans. As a folklorist, her field extends to the study of music, dance, and traditional arts in the region. She has become an expert in the documentation and preservation of intangible cultural heritage, particularly in the area of traditional music. Her research has focused on the preservation of traditional music in the Balkans, and she has collaborated with local communities to document and celebrate their musical traditions. She has also published extensively on the cultural and historical significance of music and dance in the region, making important contributions to the field of ethnomusicology.
