Please join us for the 28th season of the London Theatre Program. Immerse yourself in the London theater scene for two weeks and enjoy eight plays—four each week! Interact daily with other program participants and staff for lively discussions about the performances. Learn from theater directors, producers, and actors during morning sessions.

Unpack once and experience living at the University of London’s College Hall, a student residence conveniently located in the Bloomsbury district. Afternoons are free to explore the city, and the weekend is yours to venture into the countryside or further into Europe.
