Following lunch you re-join your friendly sampan crews for a sail past Cai Be’s beautiful French gothic cathedral, stopping to tour the historic An Kiet House with its beautiful surrounding gardens, before continuing to a traditional rice factory where workers produce rice paper, rice wine, popped rice, and many varieties of traditional candies. Afterwards, return to the ship, where your final shipboard cocktail reception is followed by a traditional Vietnamese dinner. (B/L/ Reception/Farewell Dinner)

The WATER HYACINTH

Along the Mekong River, a common sight is the Water Hyacinth. For centuries, the resourceful people of the Mekong Delta have learned to utilize every piece and incarnation of the plant. They use the leaves as plates, and as a supplement to cattle feed. Locals weave the stems into useful items that can be sold in local markets, including mats for sleeping or sitting and baskets used when harvesting rice, fruits, and vegetables; or into decorative items sold in shops as far away as Saigon.
Day 14
MY THO / DISEMBARKATION HO CHI MINH CITY
After breakfast, guests bid farewell to the Mekong Navigator and her amazing crew, and transfer to Ho Chi Minh City, Vietnam. After a stop at your home for the next two nights, the tranquil Intercontinental Asiana Saigon, your city tour begins with the incredible French colonial architecture at Notre Dame Cathedral and the Central Post Office, followed by a visit to the Reunification Palace and War Remnants Museum.
Enjoy the rest of the afternoon and evening at your leisure to explore the city. (B)

Day 15
HO CHI MINH CITY
After a scenic drive outside Ho Chi Minh City, you will find the astonishing system of underground passages known as the Cu Chi Tunnels, which stretch to the Cambodian border. Following an above-ground tour of the area, learning about life in the tunnels, and an opportunity to enter a small section of the tunnels, you return to the city for lunch at one of Saigon’s excellent restaurants, with time to explore the city on your own in the afternoon. A farewell dinner with complimentary wine at a renowned restaurant ends your Indochina adventure. (B/L/Farewell Dinner)

Day 16
HO CHI MINH CITY
Transfer to the airport for your flight home, or continue your journey with our optional, post-tour extension to exciting Bangkok, Thailand. (B)

HAIMARK Cares
We understand the importance of working in partnership with others to ensure our operations make only a positive impact in the regions we visit. To that end, we have created the Haimark Cares initiative through which we work to identify reputable partner organizations within the local communities. In Cambodia, we work with The Future of Khmer Children Organization.

The Future of Khmer Children Organization is a Cambodian-registered NGO (Non-Governmental Organization) led by Ms. Chantheany Leng, in Siem Reap, Cambodia. “Ms. Theany” has collaborated with Haimark staff for a number of years to facilitate more than 100 fresh-water wells for families in the rural areas around Siem Reap. You will often find her venturing into the countryside to meet families, distribute rice, and deliver medical supplies. Her goal is to ensure families in need of clean water are placed on her priority list for fresh-water wells. She also works at the local school owned and operated by FKC, teaching critical English, computer, and sewing skills to the children.

Ms. Theaney’s hard work in building FKC deserves our respect, and most of all, our support. Through collaborative efforts with FKC, Haimark makes a small, but beneficial impact on the destination, its people, and the future of Cambodia.

For more information on FKC please visit: khmerchild.org/about-fkc/
