Cal Discoveries Travel Presents:

Northern Lights and the Canadian Caribou Migration

AUGUST 31, 2020 – SEPTEMBER 05, 2020†

From $5,995* (plus optional Winnipeg post-tour: $795*)

Journey to the great Canadian north for a once-in-a-lifetime eco-adventure highlighted by four nights at an outstanding wilderness lodge run by a family of outfitters with a proven record of providing guests with the area’s finest outdoor activities. In the evenings, bundle up and venture out under the stars to observe the northern lights.

Program Highlights†

- Relish pristine viewing of the northern lights in September that will leave you breathless.
- Set out on a full-day wildlife spotting excursion (by air and by land) during the annual caribou migration—where wolves, bears, bald and golden eagles, wolverines, and scavengers follow this traveling ecosystem.
- Admire the geologically rare landscape sculpted thousands of years ago by retreating glaciers that left meandrous formations of gravel and sand called eskers.
- At the lodge, choose from a variety of outdoor activities including hiking, birding, lake tours, and fishing.
- Enjoy guided tours and lectures led by local naturalists—including resident biologist, Dr. Brian Kotak, and First Nations guides —specializing in the region’s geology, geography, flora and fauna, and indigenous communities.
- Participate in workshops directed by a local professional nature photographer to learn techniques for optimum aurora, wildlife, and landscape photography.
- What’s Included: Five nights accommodations in high-end properties; 4 breakfasts, 1 brunch, 3 lunches, and 4 dinners; full guiding services of an Orbridge Expedition Leader and local experts; all activities listed on the 6-day itinerary (unless noted otherwise); all fishing license requirements; all excursion transportation; all gratuities; and airport transfers for guests arriving and departing during the suggested times.
