Called the “rich coast” by the Spanish conquistadors who sought to colonize it following Columbus’s arrival in 1502, Costa Rica offers diverse and fascinating richness, seen in its fertile landscapes and the perseverant culture of its indigenous people. More than 25 percent of this captivating country is a national park, wildlife refuge or protected rainforest, earning Costa Rica the distinction of one of the greenest countries in the world and a leading destination for eco-tourism. Explore lush rainforests, stroll the white sands of coral-fringed beaches and encounter a vivid array of wildlife, including howler monkeys and 600 species of non-migratory birds. The national motto of Costa Rica is “¡Pura Vida!” translating to “pure life,” and is expressed in the proud and welcoming faces of the Ticos (Costa Ricans), the passionate biologists captivated by the flourishing rare and endemic species and the spectacularly vivacious landscape itself.

San Blas Islands
Located on the Caribbean side of Panamá, the sun-drenched San Blas Islands are a living testament to Panamá’s indigenous Guna people, also known as the Kuna, and their centuries-old language, customs and culture. The Guna live in thatched-roof huts, barter or trade in fish and agricultural products and travel in dugout canoes. Guna women hand embroider traditional colorful molas (reverse appliqué panels) and wear winis, long strings of tiny beads wrapped around their forearms and legs in striking geometric patterns.

The turquoise waters of Golfo de San Blas, populated with untouched coral reefs and vibrant marine life, offer a paradisal setting for swimming and snorkeling.

Panamá City
In Central America’s most attractive capital city, learn more about the operation of the Panama Canal’s locks in the adjacent Miraflores Locks Visitor Center. Nearby, the spectacularly colorful Biodiversity Museum, designed by architect Frank Gehry of Guggenheim fame, showcases the ecological significance of Panamá’s exotic flora and fauna. Visit the UNESCO World Heritage-designated

**Isla Cébaco, Panamá**

A winding coastline of pristine, seldom-visited sandy beaches and towering palm trees front the dense rainforests that dominate Isla Cébaco, a hidden gem in the sparkling Gulf of Montijo. Snorkel in its emerald waters, where schools of brilliantly colored fish, giant manta rays and four different species of turtles swim amid spectacular rock reefs.

**Manuel Antonio National Park**

Experience an unparalleled diversity of wildlife in this lush tropical haven, a captivating combination of rainforest, beach and coral reef, home to more than 100 species of mammals, almost 200 species of birds and a variety of reptiles and amphibians.

Explore this protected, biodiverse paradise where expert naturalists will assist in spotting colorful toucans, screeching howler monkeys, camouflaged iguanas, arboreal squirrel monkeys, two- and three-toed sloths and rambunctious capuchin monkeys.

**Curú National Wildlife Refuge**

A unique blend of sustainable agriculture, forest management and wildlife protection, the Curú National Wildlife Refuge is home to species like the scarlet macaw and spider monkey, both reintroduced into the wild here. Encompassing five distinctive untouched habitats that range from mangrove swamps and dry and humid forests, it is the ideal place to see the intricacies of interdependent ecosystems. Enjoy a guided walk in the morning, the best time of day to watch for groups of capuchin and howler monkeys, coatis, iguanas and more than 230 bird species.

**Isla Tortuga**

Nestled in a private reserve near the stunning Nicoya Peninsula, idyllic Isla Tortuga is named for its tortoise-like volcanic rock formations. Against a backdrop of coconut palm trees and white-sand beaches, enjoy opportunities to swim and snorkel in this protected island’s clear, sheltered waters, home to fascinating marine life including angel fish, spotted eagle rays and sea horses.

**San José, Costa Rica**

In the heart of the fertile Valle Central, Costa Rica’s dynamic capital city of San José possesses an eclectic mix of museums; lush,
landscaped parks; lively cafés; fascinating art galleries and an interesting fusion of Spanish Colonial, Moorish and Modernist architectural styles. Visit the ornate, Neo-Classical National Theater, built between 1891 and 1897 and recently declared a National Symbol; the interior is famous for its marble staircases and golden statues. Peruse the National Museum’s impressive collections showcasing the country’s natural and cultural heritage, including pre-Columbian artifacts.
