Among the world’s prodigious capitals of culture, the two extraordinary Russian cities of St. Petersburg and Moscow are held in the highest regard. The very creation of St. Petersburg was a cultural statement by Peter the Great, whose vision was to “open a window on the West” to rival Europe’s greatest cities. This epicenter of art and architecture is highlighted during a specially reserved, early entrance and tour of the UNESCO World Heritage-designated State Hermitage Museum, allowing you to view the incomparable treasures of Catherine the Great’s spectacular art collections. True to Peter the Great’s vision, St. Petersburg, the artistic, literary and musical center of Russia, has engendered universally revered ballets, novels and classical compositions.

An important center of trade long before Ivan the Terrible declared it Russia’s capital in 1547, Moscow is a medieval city in its layout and original architecture. Today, this sophisticated city is a showcase of three UNESCO World Heritage sites and continues to be the heart of Russian finance, commerce, education and research. Here, you will visit the renowned Kremlin Territory and Red Square to see stunning, 16th-century St. Basil’s Cathedral and experience firsthand one of the most dynamic cities in the world.

Marvel at the grand interior and art collection within St. Petersburg’s renowned State Hermitage Museum.
