Lecturer Biography
Brent Mishler has been a professor in the Department of Integrative Biology at UC Berkeley since 1993, where he teaches about island biology, plant diversity, evolution, and phylogenetic analysis. He is the lead professor in the popular “Biology and Geomorphology of Tropical Islands” course, where undergraduates spend the semester at the UC Berkeley Gump Station on Moorea in French Polynesia. He currently has research projects going on in Australia, the South Pacific, and South America. He is thus a generalist in field biology, with extensive knowledge about many kinds of organisms, tropical and temperate. He is also Director of the University and Jepson Herbaria on the Cal campus, a natural history museum devoted to plants of all types, and with research programs spanning the globe (ucjeps.berkeley.edu). One personal research specialty is mosses, plants that are small in stature but big in ecological importance and research interest, especially for studying desiccation tolerance. He is also interested in more general topics involving the theoretical basis of systematic and evolutionary biology, such as the nature of species. He has been heavily involved in developing electronic resources to present taxonomic and distributional information to the public, and to apply these to conservation concerns.

Cal lecturer’s participation cannot be guaranteed and is contingent on a minimum number of travelers.

**Johannesburg, South Africa/Pretoria/Soweto**

“A world in one country,” South Africa is perhaps the most diverse, multifaceted country on Earth. Cosmopolitan Johannesburg, known colloquially as “Joburg,” is home to one of the world’s largest urban forests, where amid some of the tallest buildings on the continent, more than six million trees flourish in the pleasant subtropical highland climate. The 1886 gold reef discovery ushered in a flux of European opportunity and ultimately stirred the rich political history of this “City of Gold.”

“Education is the most powerful weapon you can use to change the world.”
—Nelson Mandela

Cover photo: The water level at Victoria Falls varies throughout the year; during the dry season it is possible to walk across parts of the falls, but at peak levels the water flows at over 132,000 gallons per minute.

Photo this page: Table Mountain, the most iconic landmark of South Africa, reaches 3563 feet above sea level and supports over 2200 species of plants, making a spectacular backdrop to Cape Town and its stunning harbor.
North of Johannesburg lies vibrant Pretoria, known for its diverse architecture, purple-blossomed jacaranda trees and distinctly Afrikaans culture. Trace South Africa’s journey to democracy in the historic Liliesleaf Farm, once the epicenter of the liberation movement and now a cultural heritage site. Visit the Voortrekker Monument, honoring the mid-19th-century Dutch Voortrekkers (pioneers) who emigrated from the Cape Colony to the inland highveld, and see the Union Buildings and the formal garden where Mandela gave his historic presidential inauguration speech (1994).

Few places reflect South Africa’s history like Johannesburg’s South Western Townships, better known as Soweto. A broad cross section of South African daily life—from shack settlements to a rising middle class to millionaires—this thriving community is a cultural beacon and reminder of the long-lasting effects of segregationist politics. Soweto endures as an example of the South African strength of spirit; its Vilakazi Street fostered two Nobel Peace Prize laureates, Nelson Mandela and Desmond Tutu. Follow in the footsteps of Mandela—visit his house and the Hector Pieterson Memorial, an iconic symbol of the historic 1976 apartheid protests; see the FNB Stadium, where he delivered his first speech in Johannesburg following his 1990 release from prison; and tour Johannesburg’s evocative Apartheid Museum.

Enjoy a specially arranged dinner featuring guest speaker Nicholas Wolpe, founder and CEO of the Liliesleaf Farm Trust. Wolpe will share an insider’s perspective on the historic events surrounding Liliesleaf and the African National Congress (ANC).

Cape Town

Enjoy three full days in Cape Town, one of the world’s most beautiful cities; this “Garden City” is adjacent to the UNESCO World Heritage Cape Floral Kingdom, which encompasses Table Mountain National Park and over 4000 plant species. Cape Town is a vibrant city of meticulously preserved Edwardian, Victorian and Cape Dutch architecture. See the historic City Hall, where Mandela made his first public speech mere hours after his release from prison. Ascend Table Mountain by cable car (weather permitting) for sweeping city and coastal views, and ride a funicular up to lofty Cape Point. In a private home in Cape Town’s Bo-Kaap township, savor the aromatic spices of traditional Cape Malay cuisine—a unique fusion of South African, Dutch and Malaysian flavors—during a specially arranged C’EST BON! CULINARY TRADITIONS™ dinner.

Tour Robben Island, a UNESCO World Heritage site, where Mandela and other political prisoners made strides in attaining equal rights during apartheid despite inhumane conditions. The prison’s storied interior and its guides—former prisoners, many of whom served with Mandela—provide an invaluable perspective on South Africa’s social and political transformation. Visit Boulders Beach in Simon’s Town for a rare, up-close look at a protected colony of endangered African penguins nesting in sand burrows.

Travel inland along the Stellenbosch Wine Route to experience the world-class Cape Winelands. Stroll underneath vast, 300-year-old camphor laurel trees, a protected provincial heritage site in the formal gardens at

Seek out Africa’s “Big Five” wildlife species, including leopard, during a game drive in Chobe National Park.

Observe the unique symbiosis between species in this unspoiled ecosystem.
Navigate the Chobe River on a once-in-a-lifetime river safari, where pods of hippopotamus can be found cooling themselves in the water.

The Victoria Falls Hotel is renowned for impeccable service and luxurious accommodations.

The Vergelegen Cape Dutch Manor House, and enjoy a private tasting of the region’s signature Pinotage red wine. Visit Boschendal, one of the oldest wine estates in South Africa, founded in 1685, where the rolling vineyards are planted with five different types of grape, and enjoy a specially arranged lunch with wine pairings.

Chobe River Safari, Namibia and Botswana
Aboard the Five-Star Zambezi Queen, enjoy extraordinary game-viewing opportunities distinctly different from a land safari, with unsurpassed, up-close views of wildlife, including elephant, giraffe, kudu, oryx and an incredible array of bird species. Local guides will lead you on game-viewing river safaris aboard small excursion boats. Visit a village along the river to experience local culture firsthand and try reeling in the famously vivacious tiger fish.

Chobe National Park, Botswana
From marsh to dense mahogany and teak woodland, northern Botswana’s sprawling, diverse Chobe National Park is one of the last wild areas on the continent, brimming with wildlife. Enjoy a morning game drive through the park, home to one of the densest Kalahari elephant populations (approximately 120,000) as well as lion, cheetah, leopard, zebra, impala, hyena, wildebeest, warthog, hippopotamus, crocodile, water buffalo and more than 450 bird species.

Victoria Falls, Zimbabwe
Walk the trail along the edge of thundering Victoria Falls, a UNESCO World Heritage site, one of the Seven Natural Wonders of the World and among the largest waterfalls on Earth.

The Vergelegen Estate produces wines that compete with the top 100 wines of the world and positions itself among the leading conservators of Cape cultural heritage.

The Pre-Program Option is available at additional cost. Details will be provided with your reservation confirmation.
**FIVE-STAR MS ZAMBEZI QUEEN**

This world-class, unique African river safari offers remarkable opportunities for unobstructed viewing of wildlife and river vistas, whether from the comfort of your bedside or from the classic and contemporary lounge, bar or open-air deck with plunge pool.

Each of the 14 tastefully appointed, air-conditioned, spacious Staterooms (from 211 to 340 square feet) features expansive sliding glass doors that open onto a private balcony, one queen bed or two twin beds and private bathroom with shower.

Regional cuisine is prepared by the South African-trained culinary staff with local ingredients and international flair; the spacious dining room has windows on three sides for optimal game viewing as animals gather at the water’s edge. Onboard meals include early-risers’ coffee, buffet breakfast, lunch and three-course dinner. Complimentary wine and beer are served with lunch and dinner.

The environmentally sensitive Zambezi Queen meets inland water safety standards and is specially designed to prevent damage to the riverbed. Step back in time to the most pivotal moments in South Africa’s anti-apartheid movement and Nelson Mandela’s “Long Walk to Freedom” with inspiring visits that reveal the historic, 20th-century milestones that culminated in the momentous inauguration of South Africa’s first black president and stimulated the most progressive economic, social, political and educational prosperity the country has ever seen.
