Join us on an incredible journey by private jet.

Dear Alumni and Friends of Cal,

Guests often tell us that our Around the World by Private Jet Expedition is their ultimate travel dream. Individually, every destination on this itinerary would top any must-see list, but by combining these places into one seamless, extraordinary trip, we've created a journey that is truly the experience of a lifetime.

Over 24 days, you'll explore firsthand the richness the world has to offer, capturing the spirit of discovery, all from the comfort of a private jet. You'll be intrigued by our destinations as you uncover the secrets of Easter Island, the allure of the Taj Mahal, the awe of safari on the Serengeti, the warmth of Fijian culture, and the serenity of a sunrise at Angkor Wat—all experiences which will stay with you well past our farewell dinner.

In these unprecedented times, the benefits of traveling by private jet have become even more desirable—fewer people per plane, a more controlled environment, smaller airports, private or expedited customs and immigration, and the ability to make changes and pivot quickly.

And you'll travel with a dedicated and experienced flight crew, trip physician, and tour staff who will manage all of the details—including handling logistics, personalizing your experiences, and providing health services—ensuring a seamless, hassle-free journey.

To travel with us or to learn more about these Around the World by Private Jet journeys, please call us at 877.805.0765 or view full itinerary details at GoByPrivateJet.com/cal-discoveries-travel.

We hope you will join us on this extraordinary Journey Around the World.

Sincerely,

JOANNA AGUIAR

Travel with Confidence

Our cross-functional internal team, in weekly consultation with our expert physicians at Boston MD, continues to develop and refine our health and safety operations based on evolving best practices. We will follow health and hygiene guidelines as outlined by the Centers for Disease Control and Prevention (CDC) at the time of trip departure, as well as adhere to any additional practices required by the countries we are visiting.

The well-being of our guests and staff, along with the local communities we visit, is our highest priority. In addition, we expect the COVID vaccine to be a requirement for entry in some of the destinations on our expedition. As such, to help protect guest well-being and reduce operational risk, we are requiring our guests to be fully vaccinated against COVID-19 and up-to-date with boosters to travel on our group expeditions.
